Enjoy a Fun, Active Social Experience

GO Kickball combines the relaxed sport of kickball with social networking to create a fun and active way for adults to network, meet new people, enjoy friends, and play kickball in a comfortable, non-intimidating, social atmosphere. Beginners, experts, and everyone in between are welcome to join. Our only requirement is that you are at least 21 years old and want to have a fun!

The Kickball Aspect of GO Kickball

Each team will play an 8-week season with the chance to qualify for a postseason tournament including the top teams from around the country. Each game lasts for 7 innings, or 1 hour, and has the emotional ups and downs of your favorite roller coaster. Games are carefree and light hearted yet provide the occasional adrenaline rush.

It's Not Just about Kickball

The social experience just begins on the field. The postgame festivities further ignite the fun and laughter. Everyone is encouraged to visit the League Bar after their games to socialize and enjoy food and drink specials. The League Bar provides an upbeat, non-intimidating, social atmosphere geared towards open conversation, networking and meeting new people. GO Kickball also sponsors various events and parties each season, such as Theme Week and the Season Finale Party.

So, whether you're a deft kickballer or have two left-feet, the most introverted or the most extroverted, GO Kickball is the place for you!
